

List of products for SPC Harmonisation - 2010
In accordance with Article 30(2) of Directive 2001/83/EC, as amended

The medicinal products for harmonisation of the summaries of product characteristics have been selected taking into account the criteria agreed by the CMDh (published on the website), mainly with regard to significant differences in the core parts of the SPC and extent of the use of the product/number of MS where the product is authorised.

Product Name	Active Substance	MAH
